

[210 Ill. Comp. Stat. §§ 26/1 through 26/30.]

[§§ 26/1 through 26/30: Accountable Care Organization Clinical Laboratory Testing Advisory Board Act](#)

§ 1. Short title.

This Act may be cited as the Accountable Care Organization Clinical Laboratory Testing Advisory Board Act.

§ 5. Definitions.

In this Act:

"Advisory board" means a clinical laboratory testing advisory board established under this Act.

"Clinical laboratory testing" means any test or analysis performed in a clinical laboratory as defined in Section 2-103 of the Illinois Clinical Laboratory and Blood Bank Act or that is otherwise subject to Section 353 of the Public Health Service Act (42 U.S.C. 263a).

§ 10. Advisory board required.

Every accountable care organization providing diagnosis and treatment for patients in this State must establish an advisory board to consider and recommend guidelines or protocols for clinical laboratory testing.

§ 15. Advisory board membership.

Every advisory board established under this Act must include in its membership at least one physician who:

(1) is legally affiliated with the accountable care organization; and

(2) is a medical director, as defined in Section 2-104 of the Illinois Clinical Laboratory and Blood Bank Act, of a clinical laboratory that is providing services for the accountable care organization or a pathologist designated by such a medical director.

§ 20. Advisory board functions.

(a) An advisory board may make recommendations to the accountable care organization's governing board for the adoption of guidelines or protocols for (i) clinical laboratory testing used for diagnostic purposes or disease management and (ii) pathologist consultation on episodes of care.

(b) An advisory board may recommend guidelines or protocols for clinical laboratory testing to ensure appropriate use of such testing.

§ 25. Adoption of advisory board recommendations.

Notwithstanding the requirement of this Act to establish a clinical laboratory testing advisory board, nothing contained in this Act shall be construed to require an accountable care organization's governing board to adopt a clinical laboratory testing guideline or protocol recommended by the accountable care organization's advisory board.

§ 30. Application of Act.

Nothing in this Act applies to an accountable care organization owned or operated by or affiliated with any of the following:

- (1) The Cook County Health and Hospitals System.
- (2) The University of Illinois.
- (3) A hospital licensed under the Hospital Licensing Act.
- (4) A hospital affiliate as defined in the Hospital Licensing Act.
