

[23 R.I. Gen. Laws § 23-15-4.4.]

§ 23-15-4.4. Exemption for voter approved capital bond issues for health care facilities: Health Care Certificate of Need Act of Rhode Island

Notwithstanding the requirements of any other provisions of any general law or public laws, voter approved state bond issues authorizing capital expenditures for state health care facilities shall not require a certificate of need review and approval by the state agency.
