

[Colo. Rev. Stat. § 6-18-301.5.]

§ 6-18-301.5. Provider Networks-Definitions: Health Care Coverage Collaboratives -
Provider Networks

As used in this part 3, unless the context otherwise requires:

- (1) "Licensed provider network" or "licensed individual provider" means a provider network or individual provider that is authorized to transact insurance business pursuant to title 10, C.R.S.
- (2) "Provider" means a state-licensed, state-certified, or state-authorized facility or a practitioner delivering health care services to individuals.
- (3) "Provider network" means a group of health care providers formed to provide health care services to individuals.
