

[Utah Code § 26-18-11.]

§ 26-18-11. Rural hospitals: Medical Assistance Act

- (1) For purposes of this section "rural hospital" means a hospital located outside of a standard metropolitan statistical area, as designated by the United States Bureau of the Census.
- (2) For purposes of the Medicaid program, the Division of Medicaid and Health Financing may not discriminate among rural hospitals on the basis of size.
